OFFICE OF LEGISLATIVE COUNSEL

Thursday - 9 November 1978

Res

STAT 1. (Unclassified - SF) LIAISON Received a call from
STAT Richard Grimmett, Foreign Affairs Division, Congressional
Research Service, requesting a document that related to a
briefing he and Robert Bell, Library of Congress, received
here on October 24, 1978 regarding arms transfers by foreign
STAT nations. The briefing was given by [redacted] C/NFAC/CSS,
STAT and [redacted] OER. The document was dated October 1978 and
dealt with arm sales to the third world. Mr. Grimmett said
he was told this document would be included in a package he
was to be sent. He received the package of materials but this
document was not included. The request for this document is
from the Senate Foreign Relations Committee. He asked that the
document be sent to the Committee, att: Hans Binnendijk, of
the Committee staff. Mr. Grimmett was calling to speak to Mr.
STAT [redacted] of our office; I explained that [redacted] was on
leave but I would try to track down the request and get back
to him. Following this call I received another call from Hans
Binnendijk requesting the same document informing me that he
wanted this document plus some statistical data broken down
by country, year, delivery and sales. Mr. Binnendijk said he
wanted these documents for the weekend because he was writing
a report and would be out of his office from 3:30 on and provided
me with his home telephone number where he could be reached after
STAT 5:00. In [redacted] absence, I relayed the above information
STAT to [redacted]

STAT 2. (Unclassified - BLH) LIAISON Thomas Crowley,
STAT in the office of Senator Daniel K. Inouye (D., Hawaii), came to
STAT Headquarters for a briefing on an EEO case referred to Senator
Inouye by a DDO staff employee (an Inouye constituent), and for
an overview of the Agency's complaint and dissent procedures.
STAT [redacted] EEO, handled the briefing. Mr. Crowley asked
STAT that the specific case be forwarded to the Federal EEO examiner;
STAT [redacted] is checking with her office and will respond through
OLC. Crowley also talked with [redacted] NE/DDO, regarding
STAT terrorism against Americans in the Middle East. In addition,
[redacted] showed Crowley a paper prepared by
LA/DDO on Agency knowledge of the death of Che Guevara.
